

We provided them hassle-free Magento migration and the services to solve all of their issues.

In2detailing was established in September 2010 and it is based in Dundee, Scotland, Saverschoice UK. They keep all the different types of stuff from wash to Paint protection, Paint correction, Interior and glass, etc. They provide the latest products in the market at rocket prices.

Planning

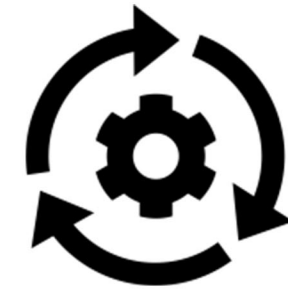

We planned to create a new and fresh theme for Magento 2 and to make it responsive for the best user experience and we outlined the entire migration process for effective results.

Strategy

The strategy was framed for all the four stages of migration which include Theme Migration, Extension Migration, Customizations and Data Migration.

Implementation

- set up cron and search issue solved
- Tax customization
- Inventory management
- Antispam extension
- Sagepay integration

Results

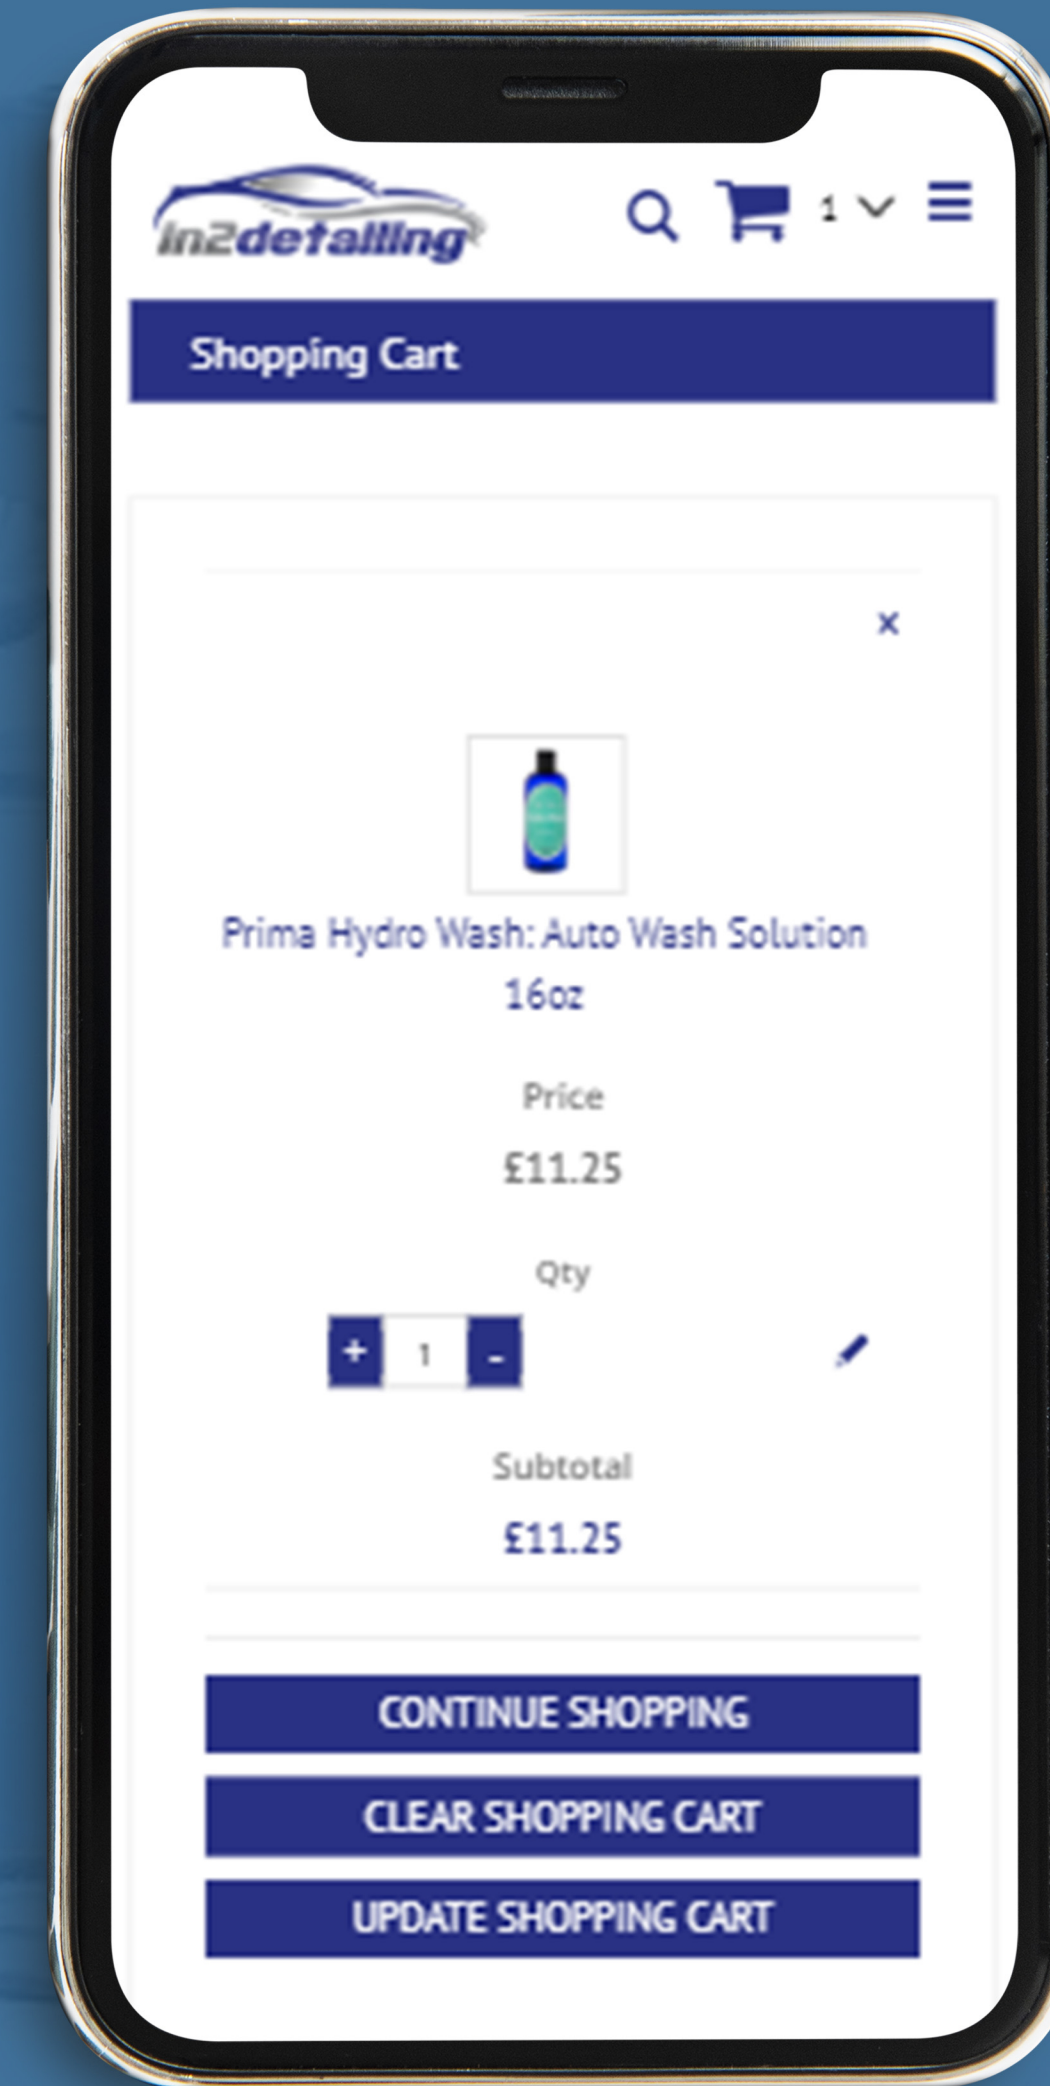

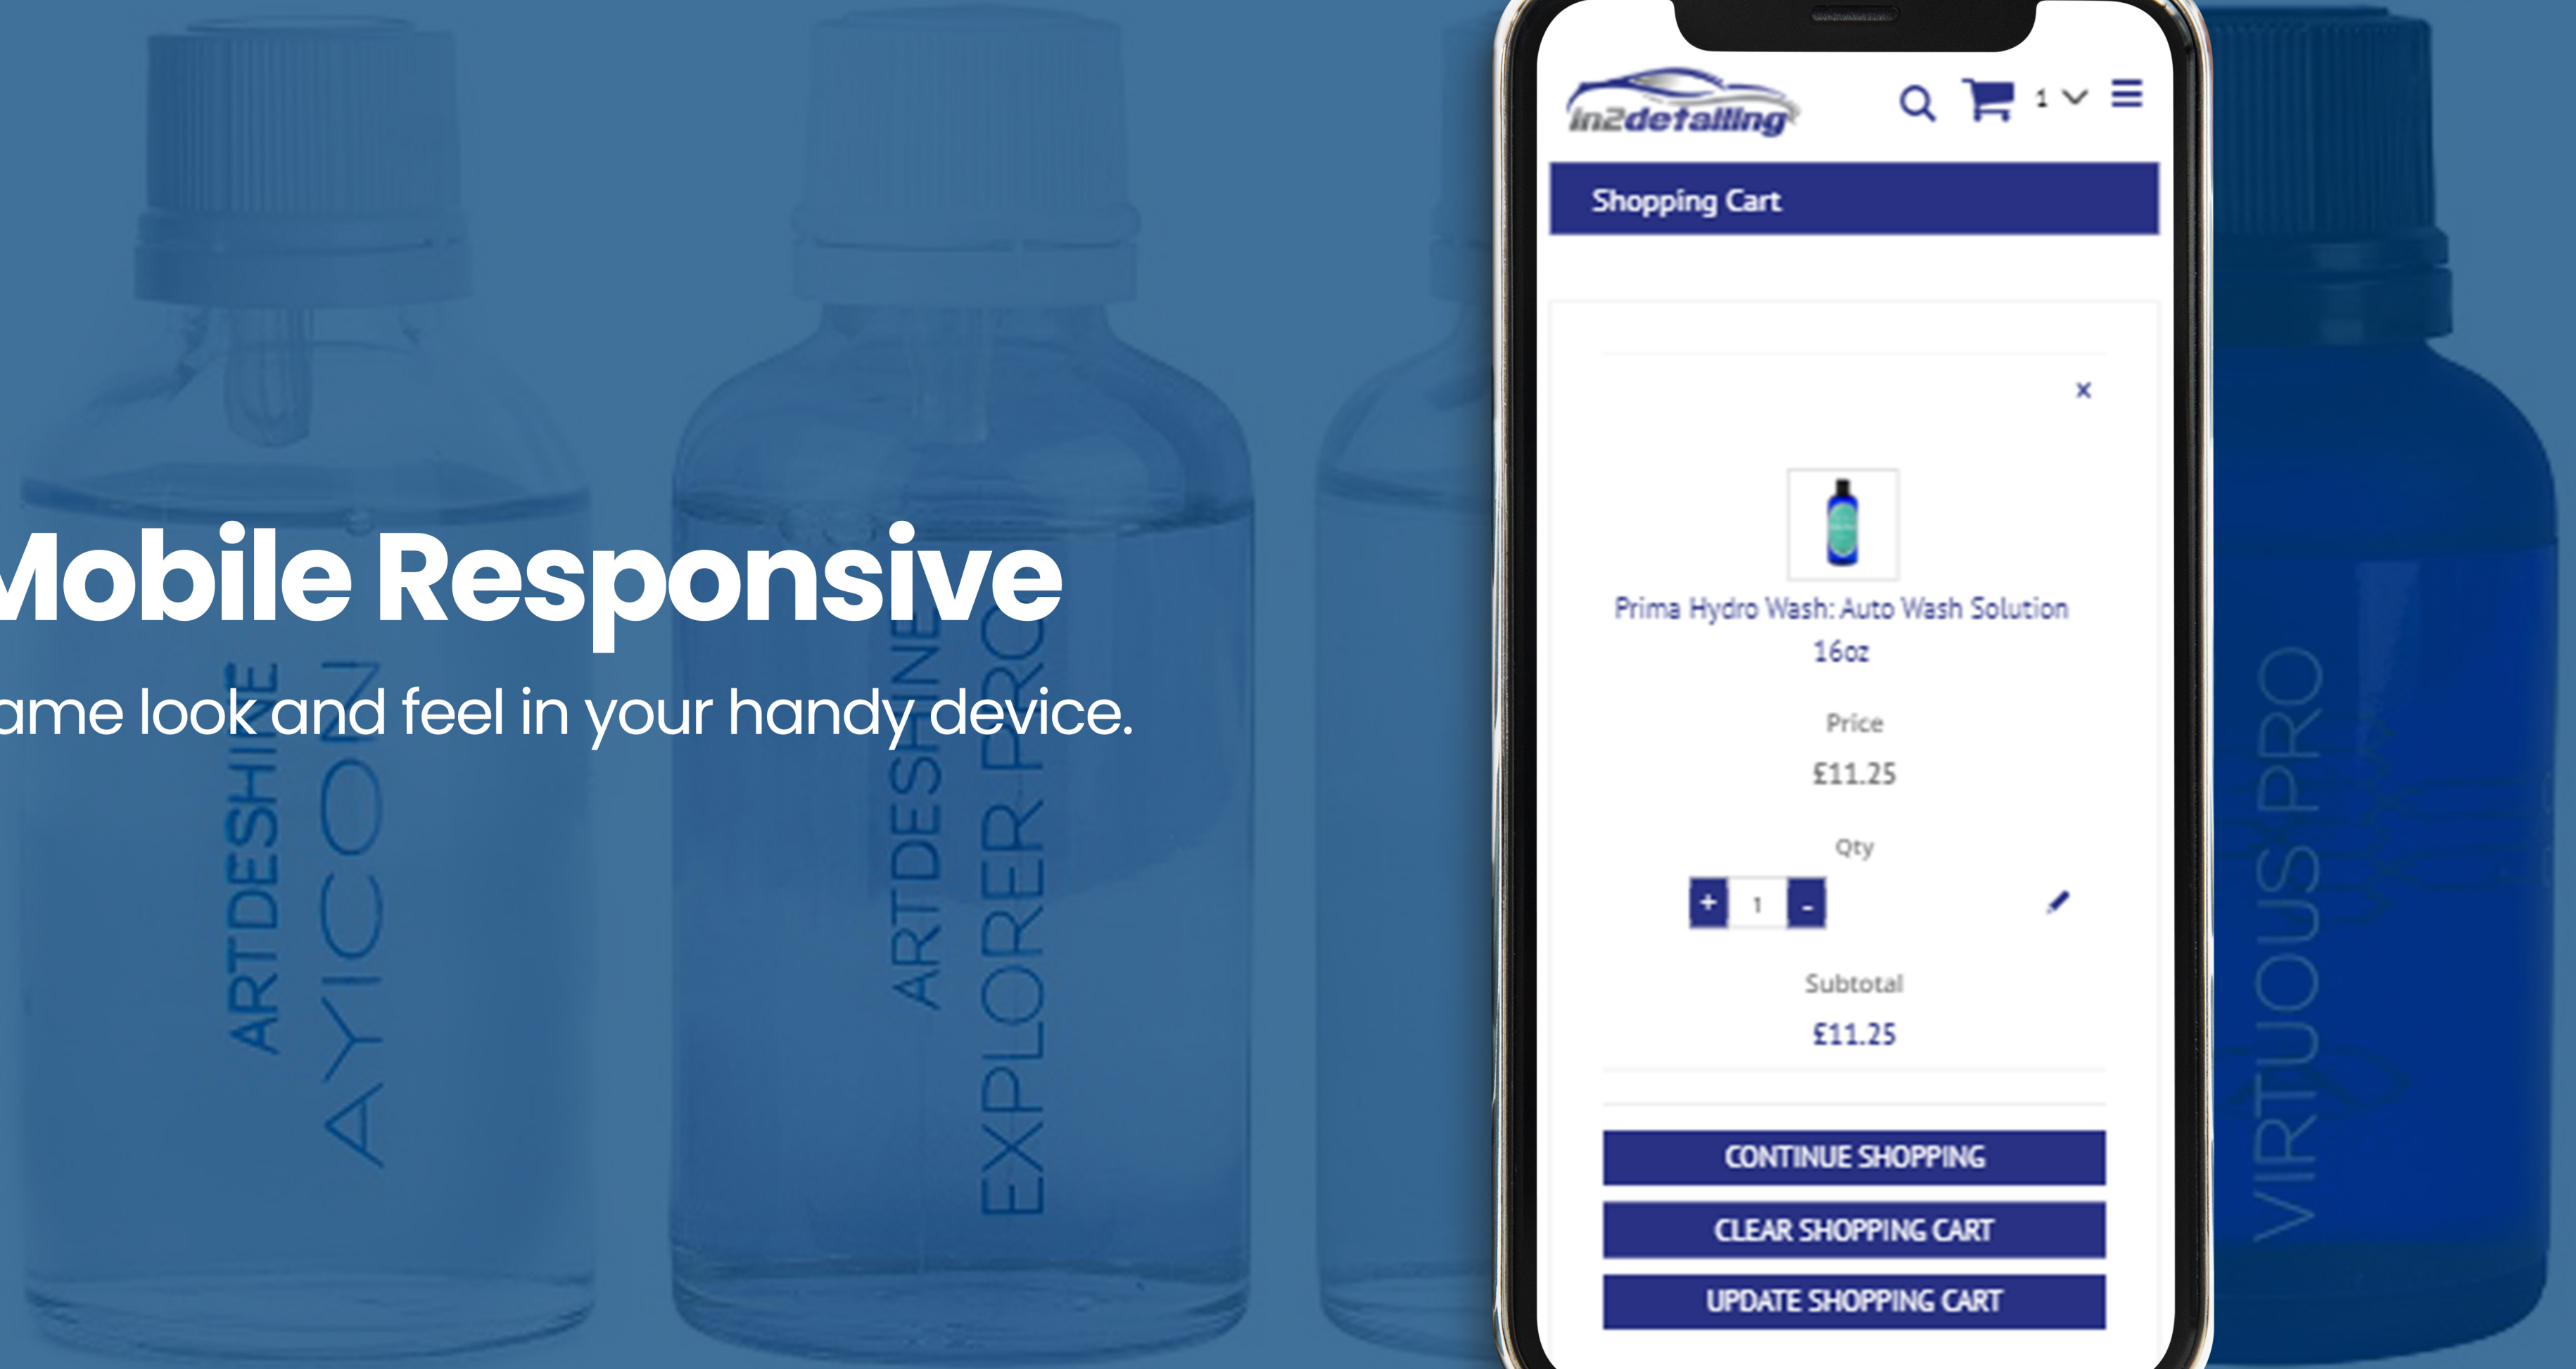

The website now is beautiful and mobile-friendly with all the editor's issues and other issues solved. Now the site is functioning without any issue.
