

We build this complete site from scratch in Magento 2.
The site is in two languages, Dutch and English.

XIP Professional is a high-end and animal-proof makeup brand developed in the Netherlands and produced in the UK. XIP Professional has been developed for women who find quality, elegance, and beauty extremely important. With the help of professional Make-up Artists, they have created an XIP world that every woman wants to be a part of.

Planning

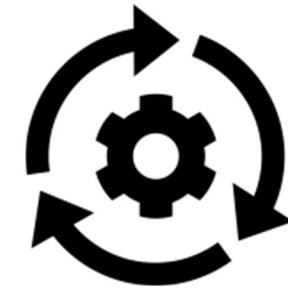

The client was interested in many social media integrations and different extensions at its best, we planned the draft and implementation was effective. The planning for keeping the design enticing was successful.

Strategy

First, all the steps were planned out for building the site from scratch and the strategy was framed for all the four stages of migration which include Theme Migration, Extension Migration, Customizations and Data Migration.

Implementation

- One-step checkout
- Instagram Integration
- Multilingual website
- Social media login Integration
- Social media Integration
- News Blog Integration
- Store locator
